What are Indigo Children?

Indigo children are part of the new evolution of children that are challenging the 'norm' by being 'system busters'.

Who first talked about/discovered/identified them?

Nancy Anne Tappe
www.nancyanntappe.com

In her book 'Understanding Your Life Through Color' she writes about her colour system. She has a condition called synesthesias which means she 'sees' people's life colours. This is NOT the same as an aura. It's her system of understanding people's life purpose.

Then Lee Carroll and Jan Tober wrote about them in their book 'The Indigo Children'

What are the Indigo Child traits?

1. They come into the world with a feeling of royalty (and often act like it)
2. They have a feeling of "deserving to be here," and are surprised when others don't share that.
3. Self-worth is not a big issue. They often tell the parents "who they are."
4. They have difficulty with absolute authority (authority without explanation or choice)
5. They simply will not do certain things; for example, waiting in line is difficult for them.
6. They get frustrated with systems that are ritual-orientated and don't require creative thought.
7. They often see better ways of doing things, both at home and in school, which makes them seem like "system busters" (non-conforming to any system)
8. They seem antisocial unless they are with their own kind. If there are no others of like consciousness around them, they often turn inward, feeling like no other human understands them. School is often extremely difficult for them socially.
9. They will not respond to "guilt" discipline ("Wait till your father gets home and finds what you did")
10. They are not shy in letting you know what they need.

When were they born?

Nancy started noticing the life-purpose colour changing towards the end of the 1970's.

Are they still being born?

Yes, but not as many as during 1979-1999

What is an Indigo Scout?

Someone who 'looks out' for Indigos.

What is an Indigo Lightworker?

Someone who cares for, looks after, gave birth to, is interested in and 'lights the way' for the Indigos

What is an Indigo Adult?

Two answers:

- A) Someone with the same characteristics
- B) Astrologically, someone with a cluster/bundle or bucket chart-shape

Am I an Indigo?

If you were born 1979-1999, if you have the 10 'traits', if you have a bowl/bundle/bucket or cluster chart then Yes, you're an Indigo.

What's the Astrology of Indigos?

In May 1999 the book 'The Indigo Children' by Jan Tobler and Lee Carroll was published and prompted by a client in 2002 she was treating who had a strange birth chart shape Astrologer and Homeopath Mary English began researching the Birth Charts of Indigo Children.

In 2004 she published her results on her website...and carried on collecting data for 5 years.

Her online article The Birth Charts of Indigo Children was viewed/read by over 40,000 people in 2006

She was interviewed by Danny Buckland for the Sunday Express Review in August 2006

Carolyn Burdet interviewed her for Kindred Spirit magazine

Mary's Indigo article now averages 10,000 views a year and is an on-going topic on an Indigo forum with over 28,000 views. Her work was then converted into a YouTube video by a young man who contacted her from the forum and received over 6,000 views.

From 1979-1999 two outer planets started to come together: Uranus and Neptune.

Uranus= Freedom

Neptune= Psychic ability/connection

1977 Uranus=Scorpio, Neptune=Sagittarius, Pluto=Libra

1985 Uranus=Sagittarius, Neptune=Capricorn, Pluto=Scorpio

1988/1989 Saturn/Uranus/Neptune=Capricorn, Pluto=Scorpio

Quoted from: 'GROUNDED ECCENTRICS AND SANE WEIRDOES' by **Donna Cunningham**

Uranians are:

Independent

Rational, detached

Futuristic, visionary

Brainy, inventive

Fixed in purpose

Ahead of their times

Saturnians are:

Self-reliant

Realistic

Far-seeing, historical

Organized, analytical

Long-range planners

Better as they get older

In Combination They Are:

Self-directed and self-motivated

Clear-headed, not in denial

Able to fit past and future together

Able to create and assess possibilities

Able to stick with long-term goals

Wise elders of their tribes

Uranus and Neptune became exact 1992-1993. This only happens once every approx 170-172 years.

The last time it happened was in 1821-1822 then 1649-1650 and will next occur in 2165

In 2006 **Richard Tarnas** in his *Cosmos and Psyche* writes about the Neptune/Uranus archetypes.

Neptune keywords= illusion-delusion, deception=self-deception, enchantment, confusion

Uranus keywords= logical breakthroughs, sudden inspiration, brilliance, spiritual awakening

He has noted that during alignments between Uranus and Neptune there are:

1. The birth of new philosophical movements
2. Spiritual awakenings and the birth of new religions
3. Cultural renaissances
4. Epochal shifts in psychological understanding and interior sensibility
5. New art forms and new media expression for the cultural imagination
